

**M**arch came in like a lamb here in southeastern Connecticut, and I hope that it stays that way. We didn't have much of a winter but I'm still yearning for spring.

The trend for new releases is with the PlayStation 4 and Xbox 1 formats. These consoles are the most popular with gamers of all ages, and titles range from ratings of E all the way to M. So, there's something for everyone. Serious gamers have been looking forward to this month when the Nintendo Switch is being released. This platform provides a high quality home gaming system with a portable option. Switch uses cartridges similar in size to the 3DS cartridges. At only \$300, Nintendo Switch is affordable for your patrons, so they will certainly be looking for the Switch games at the library. We will have the new Switch games available next month.

Happy St. Patrick's Day to all our Irish friends and those who are Irish just for the day.
