

I'm making my list and checking it twice. Tree decorated? No. Gifts wrapped? Nope. Gifts purchased? Not quite. Never mind. Let's focus on what we have been doing: shipping, shipping, shipping.

The fall flood of video games continues to roll into and out of our warehouse. Thankfully, the December titles are sparse so we can catch our collective breath and your library can catch up titles that you may have skipped in September, October, or November.

Per usual, our offices will be closed from December 22 until January 2. Please note that many of the December titles are late-month releases and may not arrive to you before January 1. If your library needs pro forma invoices or any end-of-year accounting, please contact us so that we can provide the paperwork before we take our holiday break.

Enjoy the holiday season and the final weeks of 2017. We will see you back here in January.
