Benefit Denial Securecase System

The Benefit Denial Locking System offers outstanding protection for media circulation environments. Advanced security system consists of specialized hub and a theft-deterrent red locking cap that secures discs on to the hub until cap is properly disengaged at checkout counter.

The Benefit Denial Locking System is so robust that attempts to inappropriately remove the cap results in the destruction of both the disc and packaging thus removing the "benefit" of the theft. The hub is stackable to hold one or two discs. The hub cap comes in bright, theft-deterrent red.

- Easy to use with any security system markers
- High-impact polyduralene single disc case with full sleeve for graphics
- Affordable protection for library media
- Locked case is easily opened at checkout desk with decoupler

Multimedia Processing

*We can help
your library...*

- Save time and money on media purchases and packaging
- Order your media in customized rental-ready cases
- Choose the cases that maximize your shelf space
- Protect media as it circulates
- Help patrons identify library-owned materials
- Update your existing collection with fresh cases

CUSTOM COLOR INSERTS

We can create high-resolution customized color graphics to use with manufacturers cases. Original artwork on the front. You choose between publisher artwork on the back, or your library information. Fully customizable; we'll create your custom layout to be used on each case. Some customization may cost a few cents more.

If you prefer a more uniform look, we can use our custom color inserts with standard black or white cases. Includes custom insert as described above, plus sturdy standard case.

- Full color insert in manufacturer cases: \$3.95

- Full color insert in single black or white case: \$4.50
- Full color insert in double or quad black or white case: \$5.00

CUSTOM SECURITY CASES
