OUR 52ND YEAR

Happy Valentine's Day! There's a lot to love this month.

I love our Crimson Ink newsletter's fresh new look. What do you think? Anything else you would like us to include in this monthly communique? Let me know. We love your suggestions.

Do you love new Switch titles? It sure seems like you do. There is a nice mix of platforms and ratings coming throughout February. Our Winter 2018 catalog supplement is available on our website. It's a handy guide to all the library-friendly video game titles that have been released over the past few months.

I love chatting with our customers so I am very much looking forward to the PLA Conference in Philadelphia in March. Will you be attending? If so, please stop by booth 1525 where we will have giveaways, product information, and more.
