June 2018 OUR 52ND YEAR

THE JUNE TITLES ARE SPRINGING UP LIKE

the dandelions in my garden. No matter. We'll deal with the onslaught of new titles and weeds and whatever else June throws our way. The sun is shining and we're happy to be busy.

In addition to the June titles listed, we have the July titles already up on our website. Feel free to pre-order so that we can get these titles to you as quickly as possible. The new releases usually come in and go out of our warehouse on the same day so that you can get them onto the library shelves within a few days of release. We can work with you on a Standing Pre-Order if that would help to streamline the process. Please get in touch and we'll get you set up.

Memorial Day Weekend marks the start of our summer schedule here at Klise/Crimson. We are open, per usual, 9 am to 5 pm (ET), Monday through Thursday. On Fridays, I'll likely be tackling those aforementioned dandelions. One or more of us is frequently around on any given Friday, though, so feel free to call or email. We'll get back to you as soon as possible.

Enjoy these sweet early-summer days.
