OUR 53RD YEAR

SEPTEMBER MARKS THE BEGINNING OF

OUR 53rd year at Thomas Klise/Crimson Multimedia. We have produced educational filmstrips, posters, VHS tapes, CD-ROM software, books, audio kits, DVDs and teacher guides. On the distribution side, we have represented every major publisher of software, audiobooks, and video games. I know that I speak for all of us — from 1966 right up to 2018 — when I say that Klise/Crimson Multimedia has been a fun and fulfilling place to work because of you: administrators, librarians, and teachers. Thanks for being part of our journey.

We have some blockbusters coming this month including FIFA 19, NBA 2K19 and the newest Tomb Raider title. Releases are here and on our website. If you would like the monthly titles in spreadsheet form, send an [email](#) and I will add you to that subscriber list. It's an easy way to create your PO.

Our Standing Order program means that you don't have to create a PO at all. We'll send you a monthly package of titles that fit your particular parameters. [Download the form](#) from our website to get the ball rolling.

One more thing: I have received some queries about RFQs and, yes, we are delighted to respond to your district bids. Send a link to the bidding documents and we'll get on it.

Happy September!
