## October 2018

OUR 53RD YEAR

**HAPPY OCTOBER.** It's not only the spookiest month of the year, but it's a month when we generally see a terrifying number of new video game releases. Our mindset is firmly in the world of public libraries, but the video game publishers are thinking of the retail market and the upcoming holiday season. Thus, lots and lots of new titles are coming out this month. We have them all and you will find them on our website.

Our Fall Supplement will be available in a week or so. A print copy will be included in your shipments and an e-version will be available for download from our website. If you would like a copy mailed to you, please send an email to molly@klise.com and I'll make sure to get your name on the list.

Happy Halloween to everyone. I'm already well into the candy corn. Too soon?
