## April 2019

OUR 53RD YEAR

### INSTEAD OF APRIL SHOWERS

bringing May flowers, our March showers brought a bouquet of April video games. Not quite the same ring, eh? Nevertheless, the new titles are sure to please all your patrons from the Es right through the Ms. There is something for everyone.

We are switching things up with our Switch game processing. We have new, sturdier poly pockets with Velcro closures. These pockets fit both our One-Time cases and the Zenith cases. They are also sold separately. They haven't sat for their official website photo as yet but should be online soon. In the meantime, you can email me directly for more information.

And finally, I hope to see some familiar faces at the CT Library Conference at the end of April and the NJ Library Conference at the end of May. If you are attending either conference, please come by our booth and say 'hello.'

Happy spring!

### DANGEROUS DRIVING

©2018 Maximum Games  
Dangerous Driving puts aggression back into the racing genre, recapturing the spirit of the past and taking it to a new place.

Dangerous Driving is a game about real driving. The sort of driving you want to do when no one else is looking. This game gives you the chance to live out that fantasy. To floor it in everyday cars, at high speeds, weaving in and out of traffic and slamming the other cars right off the road. It's about speed, driving skill and beautiful powerslides around epic corners. Bump, shunt, slam, scratch and powerslide your way around 30 dangerous courses set across seven different locations. Rated E10.

### DARKEST DUNGEON COLLECTORS EDITION

©2018 Crescent Marketing  
Darkest Dungeon is a challenging gothic RPG about the stresses of dungeon crawling. You will lead a band of heroes on a perilous side-scrolling descent, dealing with a prodigious number of threats to their bodily health, and worse, a relentless assault on their mental fortitude! Five hundred feet below the earth you will not only fight unimaginable foes, but famine, disease, and the stress of the ever-encroaching dark. Darkest Dungeon focuses on the humanity and psychological vulnerability of the heroes and asks: What emotional toll does a life of adventure take? Rated T.

### DARKSIDERS WARMASTERED EDITION

©2018 THQ Nordic  
Deceived by the forces of evil into prematurely bringing about the end of the world, War - the first Horseman of the Apocalypse - stands accused of breaking the sacred law by inciting a war between Heaven and Hell. In the slaughter that ensued, the demonic forces defeated the heavenly hosts and laid claim to the Earth. Brought before the sacred Charred Council, War is indicted for his crimes and stripped of his powers. Dishonored and facing his own death, War is given the opportunity to return to Earth to search for the truth and punish those responsible. Hunted by a vengeful group of Angels, War must take on the forces of Hell, forge uneasy alliances with the very demons he hunts, and journey across the ravaged remains of the Earth on his quest for vengeance and vindication. Rated M.

SW-TH190406 Switch \$ 30

### DAYS GONE

©2018 Sony  
Set in the beautiful, volcanic scarred high-desert of the Pacific Northwest, Days Gone is an open-world action-adventure game where you play as

Deacon St. John, a Drifter and bounty hunter who would rather risk the dangers of the broken road than live in one of the "safe" wilderness encampments. The game takes place two years after a global pandemic has killed almost everyone, but transformed millions of others into what survivors call Freakers - mindless, feral creatures, more animal than human but very much alive and quickly evolving. Skills learned in his prior life as an outlaw biker have given Deacon a slight edge in the seemingly never-ending fight to stay alive. But will it be enough? Rated M.
