## May 2019 OUR 53RD YEAR

**MAY DAY! MAY DAY!** New video games are coming this month. Are you ready?

We just wrapped up the Connecticut Library Association annual conference. It was held, conveniently for me, in Mystic. I'm going to have to travel a bit for the New Jersey Library Conference which will take place in Atlantic City at the end of the month. Will I see you there?

Beginning on Memorial Day weekend, we will switch over to our summer schedule. Our offices will be closed on Fridays through the summer. I really need to work on my golf game. But please be assured that we will work double speed Monday through Thursday to get all of your orders processed and out to you.

Enjoy the May flowers!
