## July 2020

### HAPPY INDEPENDENCE MONTH!

How are we feeling? Independent or nah? I'm feeling quite dependent on my hand sanitizer but, aside from that, I am all in on fireworks and hot dogs and a big red, white and blue "Happy Birthday" to America.

And what's more All-American than video games? That didn't quite blend, but you know what I mean. The July new-release list is quite healthy. Save some of your pennies because August will bring a couple of blockbuster titles including the brand new Madden: Madden 21.

Our team is shipping and processing at normal speed. Although our customer service group continues to work remotely, we are buzzing right along. If you need anything — title suggestions, a new look for your wrappers, standing order program set up — we are poised to help.

I hope you all have a lovely, sun-filled July.
