February 2021 OUR 55TH YEAR

Happy February! It's the month of **LOVE**. Who doesn't **LOVE** Valentine's Day, the holiday that pretty much requires us to eat sweets?

It was just about a year ago that we gathered in Nashville at the PLA Conference to celebrate our **LOVE** for public libraries. We **LOVE** that conference and look forward to next year's conference in Portland, OR.

The video games publishers **LOVE** that we keep you up-to-date on all the new titles. Hey, we aim to please. Take a look at what is coming in February.

Ordering video games can be confusing. "What's new?" "Will this one work in circulation?" "How can I find the most popular titles?" "Why does this take so long?" Our Standing Order Program ensures that your library's video game collection is up-to-date and circulating. You can start and stop at any time. No minimums. No commitments. We know you **LOVE** flexibility. We **LOVE** to help.

Enjoy this month and celebrate the things that you **LOVE!**
