January 2021

OUR 55TH YEAR

HAPPY 2021! I'm excited to begin a fresh new year. You?

Despite the constraints of COVID, we had a banner year in 2020.

Video games seem to be a pandemic "comfort food" for players of all ages.

There are just a handful of titles coming out in January, but don't get complacent. February will bring plenty of new releases including the newest installments of Maximum Football, Little Nightmares and Fallen Legion.

If you are a standing order customer and want to adjust your monthly spending or add PlayStation 5/Xbox X titles to your collection, please get in touch so that we can update your account.

Fingers crossed for a happy and virus-free 2021!
