July 2021 OUR 55TH YEAR

HAPPY BIRTHDAY, AMERICA. Pass the lemonade! We're having an All-American heat wave.

July serves up a USA-sized mega platter of video games. The ever-popular F1 is back with their 2021 version. Tokyo 2020 Olympic Games is finally available, just in time for the actual Olympic Games. The newest edition of NEO is certain to be a big hit. Check out all the titles at crimsoninc.com.

Our planned closing for inventory has been pushed back a few weeks, toward the end of the month. You will likely see no difference in the shipping schedule, though. We're still working on the details to make that happen.

Enjoy this beautiful month in the garden, at the lake or the beach, or wherever you can congregate with family and friends. It's nice to be back in good company.
