August 2021 OUR 55TH YEAR

IT'S AUGUST, THE MONTH OF SUNNY DAYS and abundant gardens and quieter-than-normal libraries. Is everyone on vacation? Not us! There are loads of new titles coming into our warehouse this month. Be sure to check out this newsletter for the entire list but be aware that there are a couple of blockbusters coming: Madden NFL 22, Power Rangers, and Worms Rumble. Everyone will want to get those on their shelves asap.

If your library uses the clear One-Time DVD cases, we now have those in stock. We can process your materials into those or just ship the cases in bulk to your library.

One housekeeping note: we pushed back our annual inventory to the week of August 9, so we will be closed for shipments during that week. You can still place orders but nothing will be shipped during the week that we count up our stock.

I hope you find time to enjoy this balmy month, in between ordering video games of course!
