## September 2021 OUR 56TH YEAR

**AHHH, SEPTEMBER.** For many years, when my life revolved around the school calendar, September was the sweetest of months. The neighborhood kids would assemble early, full of beans, at the corner bus stop. My baby would return home, exhausted in the late afternoon, to gobble down an after-school snack and tackle a stack of worksheets. So many worksheets! I still feel a glow when it comes to September.

I warned you last month about the avalanche of new titles that were due to be released in September. Well, they are here. NBA 2K22 and Paw Patrol are must-haves. But there are so many more! The Addams Family. Sonic Colors. WRC 10. Street Outlaws 2. Hot Wheels. Something for everyone.

What can we do to make things easier? Standing order? Processing? Title info via spreadsheet? We are here to help. Send an email and let us know.

Steer clear of the school buses!
