October 2021 **OUR 56TH YEAR**

BOO! And happy October, the spookiest month of the year. Well, usually. We've had some contenders this year. I hope that your library is filled with cobwebs and pumpkins.

September was a big month for new releases and October looks to be the same. There are some blockbusters coming out: FIFA 22, Marvel's Guardians of the Galaxy, Peppa Pig (delighted that I have no idea who that is), NASCAR 21, NHL 22, Super Monkey Ball and The Smurfs. Plus Battlefield 2042 and A Plague Tale and on and on. You can see them here and on our website.

Many of our library customers are using the One-Time cases for safe circulation of gaming titles. The custom cases also help to remind patrons which items need to be returned to the library. We have them in both black and clear. Get in touch with us to have a free sample sent to you.

Happy Halloween to everyone. I'm already well into the candy corn. Too soon?
