April 2022 OUR 56TH YEAR

SPRING IS FINALLY SPRINGING here in southeastern Connecticut. We are celebrating every bud, every shoot, every 50 degree day.

We're also celebrating the long-awaited Lego Star Wars: Skywalker Saga. This title has been pushed back for almost a year. But it is finally coming in early April. Get your orders in because this one will sell out immediately.

MLB The Show 22 is the other must-have this month. And, Nintendo Switch Sports is going to be on everybody's list. We don't have a lot of April releases but the ones that are coming are A+. The May list is already looking robust.

We're sad to have missed PLA this time around but we'll be there next time. We will attend ALA, though. I'm keen to get back to the conference routine and see you all in real life. I have missed the excitement of the exhibit hall.

Enjoy these lovely days!
