May 2022 OUR 56TH YEAR

WELCOME, MAY. BRING ON THE SUNSHINE AND DAFFODILS.

We'll take a full month of that!

In video game world, there have been an extraordinary number of release date changes this month. Most of the May titles will be released right at the end of the month. We've got our preorders booked with all the publishers and plan to ship everything right on day of release.

The June titles are already up on the website along with the May titles. If you have any questions, please shoot me an email.

Finally, just a reminder that at the end of the month we move to our summer schedule with our offices being closed on Fridays. Hey, my golf game isn't getting better when I'm sitting at my desk! (To be honest, my golf game doesn't improve when I'm on the course either, but that's another story.)

Happy May!
