July 2022 OUR 56TH YEAR

HAPPY BIRTHDAY, AMERICA! Just because it feels like America is in the midst of those difficult teen years (acting out a bit, maybe should be grounded for the weekend) we will still don our red, white and blue and we'll send up some birthday fireworks.

I just returned from the annual ALA Conference in Washington DC. It was wonderful to be back out among the people after a long COVID hiatus. We are so out of practice that we forgot to pack up the actual booth bits 'n pieces. Augh. As a result, we didn't look too fancy but that's OK. It was fun to connect with some of our long time customers (I missed you!) and also to meet new folks.

On to the important stuff: July titles. Yes, we have them. And some delayed spring titles are coming in, as well. Save your pennies for Madden 23 coming in August, along with a new Pac-Man and Fallen Legion. All of these titles are currently available on our website. If you would like to receive the July and August titles in spreadsheet form, email me (molly@klise.com) and I will add you to that list.

Happy summertime!
