June 2022 OUR 56TH YEAR

THE SUMMER MONTHS aren't usually big video game roll-out months, but June 2022 is proving to be an exception. Mario Strikers: Battle League is the blockbuster this month but there are many others that your patrons will want to see on the library shelves.

One last shout-out for ALA 2022 in Washington DC. We'll be representing in booth 1348 and hope to see your smiling faces. ALA is always a good conference and it will be fun to see everyone after a few years off the circuit.

A reminder that our summer office hours are now in effect. We'll be around Monday through Thursday, from 9-5 EST. Feel free to leave a voice mail on Fridays and we'll get back to you on Monday morning.

Enjoy the sunshine. Don't forget: digging in the dirt—whether using a spade or a golf club—is good for the soul.
