October 2022 OUR 57TH YEAR

HAPPY OCTOBER. The weather is cooling, the days are growing shorter and candy corn is back on store shelves. It's time to put the garden to bed and focus on the important things: the candy corn. Obviously.

We have a terrifyingly long list of new releases this month. Quite a few of them have already been pushed back to November and yet it's still a budget-busting array of titles. The list overflows the newsletter but everything is available on the website. We also have the full list in spreadsheet form if you prefer. Shoot me an email and I'll send it your way.

There's also news from our processing department and it's not scary at all. We have a new solution for those pesky Switch cartridges. Our new Switch Game Holders are now in stock.

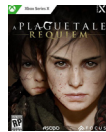

They're cute. They're secure. They fit in any DVD-style case and can be moved from case to case. They're even orange. Switch Game Holders are available for individual purchase. If you're a

processing customer, we can process your titles using the Game Holders at no additional cost. Just let me know that you prefer these to the pouches and we will update your account.

The billing department also has news. We are (finally) accepting ACH payments. It's spooky how long it took to get that organized but, hey, we got there. Please send any necessary paperwork to me and I'll make sure we get it back to your billing folks asap.

Happy Halloween!
