February 2023

OUR 57TH YEAR

AH, FEBRUARY. IT'S THE MONTH OF LOVE AND CHOCOLATE, two of the best things that life has to offer. Let's make the most of it in February.

This month also brings new video games for your patrons to love. You won't want to miss Hogwarts Legacy which will be available in PlayStation 5 and Xbox X this month. Other platforms will follow in April and July. We also have a new Kirby title coming along with more SpongeBob. Plenty of new titles to come this month across the ratings and platforms.

We also love ALA and we will be attending the annual conference in June. More to come on that but please do put us on your "must visit" list for the conference hall if you're planning ahead.

Don't forget to get in touch if you need info on standing orders, Switch Game Holders for your locking cases or processing information. We'll be here, eating chocolate and shipping orders.
