January 2023 OUR 57TH YEAR

HAPPY NEW YEAR! I am extremely excited to begin a fresh-out-of-the-oven 2023. I can only wonder what excitement it will bring to us all.

The January list of new titles is small which, I believe, bodes well for the new year. Our libraries can start off by getting all caught up on the fall titles that they missed – so many! – and then lurch into a more beefy new-release-February.

If you want to start the new year with a streamlined purchasing process, you can sign up for a standing order (any budget will work) or use our new release spreadsheets to help you choose your titles. Or, of course, we can always create a custom list for you to peruse. We are always happy to suggest titles, either new or perennial favorites. Send me an email if we can be helpful.

I would be remiss if I didn't start 2023 by thanking you all for making 2022 such a successful year for us. When I attend conferences and speak with potential new library customers, I always tell them that Klise/Crimson works with the nicest, smartest and most competent librarians in the field. It's the absolute truth. We are so grateful!

Onward to 2023!
