June 2023 OUR 57TH YEAR

JUNE IS A VERY EXCITING MONTH

here at Klise/Crimson Multimedia. Not only is it my birthday month and my daughter's birthday month, it's also our crackerjack office superstar Alicia's birthday month AND the month when we switch to our summer work schedule. We will be doing a lot of celebrating around here in June.

If that's not exciting enough, I'll be traveling to ALA in Chicago to meet all of YOU! Are you attending this year? We'll be in booth 4630 and we would love to see you.

Release dates on the new titles are moving like crazy. Some are moving up, most are getting pushed back. And then sometimes they move up again. Picture me throwing my hands in the air. We are shipping on day of release as much as we can, whenever that may be. June brings plenty of good titles so, even with some inevitable push backs, you'll have no problem spending your budget this month.

Happy June!
