November 2023 OUR 58TH YEAR

THERE'S A CHILL IN THE AIR in southeastern Connecticut. I'm not putting away the golf clubs but I am pulling up stakes (literally) in the garden. Soon, we'll have brighter mornings and darker afternoons and plenty of fires in the fireplace. Bring on the fall!

Please don't think we're just sitting around the office eating apple cider donuts. Au contraire. We are packing boxes and sorting through publisher new release lists as quickly as we can. The new titles this month include quite a few blockbusters. There's a new All-Star Brawl, All-Star Kart Racing, Agatha Christie, WRC, and Bluey. Spongebob snuck in a new title in late October along with Red Dead Redemption in new console editions.

For the kids, WarioWare: Move It! and The Smurfs 2 will be popular. The adults will want The Walking Dead and Call of Duty: Modern Warfare 3. The December list looks lighter so this is the month to spend the budget.

Lately I have noticed that many of you are taking my advice to order your titles early. That makes me happy. Publishers are selling out quickly on some of their titles and while we're pretty good at guessing what you want, if you want something, order it. Or pre-order it. That way, we are sure of getting it to you at time of release. We really do aim to please.

Happy November, everyone!
