October 2023 OUR 58TH YEAR

BOO! Although this is the month for all things scary, I'm legit afraid to show you the list of new titles coming out in October. It's TERRIFYING! There are almost as many titles as we saw in September. Barbie, Batman, Pikachu, Sonic, Spiderman and the Grinch. I mean, who doesn't have a video game these days?

I said this last month, but it bears repeating: if you see titles that you want for your library, don't hesitate to place your order. If we can reserve your units in advance, you'll be sure to get them as soon as they are released. There are a couple of November releases that are already sold out. We purchased a lot of units but when we're sold out we might not be able to get more. Scary, right?

We have been delighted to welcome so many Ingram customers over the past several months. Change is hard, especially for those libraries that need processing, but we are getting everyone sorted. It's like we've been working together forever!

I hope you enjoy this spooky month. I am looking forward to the season of candy corn!
