December 2023 OUR 58TH YEAR

HAPPY HOLIDAYS. 'Tis the season to order your final video games of 2023. December brings a nice-sized group of new releases but nothing like the overwhelming number of titles that came to us in October and November.

If your fiscal year is coming to a close, please get in touch so that we can review your account. We can shift not-yet-released titles to a 2024 PO, send a proforma invoice, or cancel the titles altogether.

Our offices will be closed for the holidays from December 21 through January 1. We will be checking email and voice mail only sporadically during that time.

It's been a heck of a year this year and it has been a true pleasure to work with all of our library customers, long-standing and brand new. From all of us at Thomas Klise/Crimson Multimedia, we wish you a wonderful holiday season with reduced library hours and increased family time. See you back here in January!
