February 2024 OUR 58TH YEAR

HAPPY FEBRUARY. This month we *love* Take Your Child to the Library Day, the newest video game titles, and a holiday to celebrate *love* and chocolate.

Saturday, February 3 marks the 14th annual Take Your Child to the Library Day. Hundreds of libraries around the country – and quite a few outside the US – *love* this event. Although the first Saturday in February is the “official” day, activities are taking place in libraries throughout the month of February. You can download materials and get ideas here:

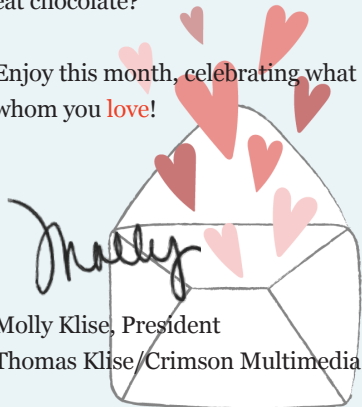

takeyourchildtothelibrary.org

We also *love* to help you keep your library’s video game collection up-to-date and circulating. February does not disappoint, with new titles being released throughout the month.

And who doesn’t *love* Valentine’s Day, the holiday that pretty much demands that we eat chocolate?

Enjoy this month, celebrating what and whom you *love*!
