October 2024 OUR 59TH YEAR

HAPPY OCTOBER! THIS MONTH IS NOT JUST ABOUT SPOOKY VIBES; it's also jam-packed with a fantastic lineup of new video game releases. While we're all about public libraries, the game publishers are gearing up for the holiday rush, so we are in for a treat.

A few games have been pushed to November but there's still an exciting selection that might make your budget feel a little spooky too! Some popular titles to look out for this month include Call of Duty: Black Ops 6, Final Fantasy I-VI, Dragon Ball: Sparking! Zero, Sonic X Shadow Generations and Super Mario Party Jamboree.

If you prefer spreadsheets over newsletters, we've got you covered! Just [send me an email](#) and I will send you the full list. Or, you can find everything on our website at www.crimsoninc.com.

Enjoy this sweet and spooky month!
