November 2024 OUR 59TH YEAR

AS WE DIVE INTO NOVEMBER and the excitement of the upcoming holiday season, the gaming industry continues to dazzle with an impressive lineup of new releases. This month, we're thrilled to highlight some of our favorite titles: *Harry Potter: Quidditch Champions*, *Mario and Luigi: Brothership*, *Dragon Quest III HD-2D*, and *Lego Horizon Adventures*. It's been a busy and budget-busting fall for gaming.

We're also in the process of launching our updated website and ensuring all our online ordering customers are set up correctly, naming an account administrator for each library. If you haven't received communication from us yet and you ARE the account administrator for your library, please reach out to me at molly@klise.com so we can get you set up. It's been quite a journey, but we're almost there!

Wishing everyone a wonderful Thanksgiving! Despite the leftover Halloween candy in my kitchen, I'm already dreaming of pumpkin pie.
