December 2024

OUR 59TH YEAR

HAPPY HOLIDAYS! 'Tis the season to wrap up your video game orders for 2024. December brings a solid batch of new releases, though it's nowhere near as many as October and November. It's a great time to catch up on your backlog.

If your fiscal year is coming to a close, please don't hesitate to reach out. We can review your account, move any not-yet-released titles to a 2025 PO, issue a proforma invoice, or cancel titles as needed.

There is another "coming to a close" milestone that's been on my mind. One of my very favorite librarians is retiring this month. She decided that, at age 75, she is ready to tackle new adventures. Over the past 20 years, we have chatted about our girls (they're perfect), politics (we are aligned and concerned), the indignities associated with aging (they are many) and, very occasionally, video games. My job has brought wonderful people into my orbit and Lorraine is right up there at the top of the heap. All best wishes to you, my friend!

For those of us who aren't retiring anytime soon, a reminder: our office will be closed for the holidays from December 23 to January 1. We'll be checking emails and voicemails only intermittently during that time.

From all of us at Thomas Klise/Crimson Multimedia, we wish you a wonderful holiday season with reduced library hours and increased family fun. It can be a stressful time for many, so take care of yourselves. We will see you back here in January!
