May 2025 OUR 59TH YEAR

I'M FLIPPING CALENDAR PAGES FASTER THAN EVER!

Can you believe it? In just a few short weeks, schools will be out for summer which means kids (and their parents) will be spending more time at the library. Now's the perfect moment to refresh your gaming collection and the publishers have really delivered. Take a look at all the exciting new titles arriving in May. June titles are also up on our website, so head over to crimsoninc.com to check them out!

HEADED TO ALA? SO ARE WE!

If you'll be in Philadelphia this June for ALA, we'd love for you to stop by and say hello in the exhibit hall. Will we have giveaways? Maybe. But honestly, don't we all have enough stuff? This year, we're thinking about being kind to poor old Planet Earth and sticking with candy and smiles. Swing by Booth 523 to see what we decided.

OUR SUMMER SCHEDULE IS ANON

Starting at the end of this month, we'll be switching to our summer hours: Monday through Thursday. It's a tradition we've kept since 1966 — back when our warehouse didn't even have air conditioning — and we're not about to change it now. But no worries: while we're here, we work double-time to make sure your orders are shipped and processed just as quickly as ever.

Happy May!
