September 2025 OUR 60TH YEAR

THE SUMMER WAS HOT AND DRY here in southeastern Connecticut. While the garden didn't exactly thrive, we were lucky not to have a single rained-out event all season. All in all, it was a good one.

Now that it's September, the school buses are rolling, the neighborhoods are quiet, and it's time to get serious again. September brings a flood of new releases, so there's no time to slack!

We do our best to ensure this newsletter has the most accurate information at the start of each month. That said, we receive updates on ratings and new release dates regularly, so be sure to check our website for the latest info. Or feel free to send us an email. We are always happy to help.

And here's some news worth celebrating: **We're starting our 60th year in business.** What a journey it's been, from social justice filmstrips, to literature and language arts and social studies programs, to CD-ROM software, and now video games. What's next? We're excited to find out.

Yes, we're celebrating a bit around the office but rest assured, we're not slowing down. With so many new releases this month, it's full steam ahead.

Enjoy these late summer/early fall days. It really is the best time of year.
