October 2025 OUR 60TH YEAR

ALTHOUGH OCTOBER IS THE MONTH FOR ALL THINGS SPOOKY

I'm honestly terrified to show you the list of new titles dropping this month. It's monstrous! October is coming in just as strong as September, and the lineup is hauntingly good.

Just look at this crew: **Barbie Horse Trails**, **Battlefield 6**, **Paw Patrol Rescue Wheels**, **Snoopy & The Great Mystery Club**, **Dora: Rainforest Rescue**, **Dragon Quest**, **Fast & Furious** and **Tomb Raider**. At this point, who doesn't have a video game? And that's just a fraction of the games coming in October.

I said this last month (and the month before that), but it's worth repeating: if you see titles your library needs, don't wait to place your order. Pre-orders help us reserve stock for you, and with some titles already sold out, the early birds are winning. We buy deep, but once we're out ... it might be a ghost story.

I wish you all a delightfully spooky month filled with good games and (of course) candy corn.
