## May 2026

**May Day! May Day!** I'm writing this, surrounded by moving boxes, a week before our big office move but you will read this after the fact. I'm going to manifest it right here: it went perfectly! We're settled and happy! We're back to work! (Please let that all be true.)

There are lots of new titles coming this month including a new Bluey's title, Lego Batman, Forza Horizon 6 for Xbox and the titles highlighted below. You'll find all the new May and June releases online at [crimsoninc.com](http://crimsoninc.com).

We have had quite a few inquiries about the availability of publisher cases. Yes, we have them! If you read our monthly newsletter but aren't a video game customer of ours, you are still welcome to purchase replacement cases from us. Just send an email to [kristin@klise.com](mailto:kristin@klise.com) and let us know how many/what style of case you would like. PlayStation. Xbox. Switch. Switch 2. They are \$1.14 each (plus shipping). Video game customers can order cases via the website.

Enjoy this beautiful month of May!
